Having trouble?

If you have questions or concerns regarding assembly instructions or missing parts, please contact us at hello@polywoodoutdoor.com or (833) 665-6300

Cleaning tips

For a Quick Clean:

Simply wipe down with soap and water.

For a Deep Clean:

Wipe on 1/3 bleach and 2/3 water solution with a clean cloth and let it sit on the lumber for a few minutes (this will not affect the color). Then, loosen any dirt and debris that may catch in surface grooves with a soft bristle brush; hose down to rinse.

For a High-Power Clean:

Use a pressure power washer (not exceeding 1,500 psi) to spray off dirt and debris. Apply a 1/3 bleach and 2/3 water solution and scrub with a soft bristle brush. Hose down to rinse.
